Letter of Intent
Contract No. NS-1905
1 April 1963

cy 2

The Fireweel Company, Inc.
3685 Broadway
Buffalo, New York

Attention: Mr. Robert Emswilt

Gentlemen:

1. You are authorized to proceed with the purchase, design, fabrication and delivery of one (1) each Pilot Transport Van, one (1) each Maintenance Van for Oxygen Components and one (1) each Maintenance Van for Sulfur Components, generally in accordance with your proposals of 14 March 1963. You are authorized to make commitments and expenditures under this Letter of Intent not exceeding a total of \$100,000 pending execution of a definitive contract.

2. By your acceptance hereof, it is understood and agreed that you will undertake without delay to enter into negotiations with the undersigned looking forward to the execution of a definitive contract which will include provisions applicable to a CTRF Contract for research and development work and such other clauses as may be mutually agreeable.

3. Please indicate your receipt and acceptance of this Letter of Intent, Contract No. NS-1905, by executing the original and two copies hereof. Return the fully executed original and one copy to the undersigned and retain the remaining copy for your files.

Very truly yours,

[Redacted Signature]

Contracting Officer
